ABOUT US

Annually, thousands of aspiring students attempt to clear the Civil Services Examination conducted by the Union Public Service Commission (UPSC), to serve our country. Regardless of their self-motivation and rigor, only handfuls get shortlisted due to insufficient guidance and planning. Swami Vivekananda Charitable Trust for Cultural and Scientific research (SVCTCSR), with its experienced and dedicated Academic team is here to cater to the needs of the next generation civil servants.

The Academic Wing of Swami Vivekananda Charitable Trust for Cultural and Scientific research (SVCTCSR), help students see success not only on the UPSC exams, but also to shape the “next-generation civil servants” for the welfare and development of our country.

All members of our faculty team hold advanced degrees in medicine, engineering, or arts and sciences; and are committed to catering to your individual needs. As part of our ongoing efforts to be available 24/7, we offer regular on-campus or distance learning modes. Our subject matter experts will help you troubleshoot the patterns and complexities by reviewing previous years' question papers and mock tests with you. We are also investing heavily in our faculty and teaching techniques to be up-to-date in our resources.

COURSE

The Regular Course for school students & College Students is designed by experts to equip them to crack UPSC exams in the future. The students will be given training in public speaking, group discussion, leadership activities, debates, and interview skills. We also aim to cater to the budding civil services aspirants at their school level or graduation by charting out a long-term coaching curriculum to crack the Civil Services Examination successfully. The Regular Classes are conducted on Monday, Wednesday & Friday. We Provide Bullet notes on Tuesday, Thursday & Saturday

It begins After the Prelims test of UPSC every year...

The Civil Service Foundation Course is designed to:

- Creating awareness about the Civil services Examination.
- Equip the students with the basic preparation strategies for the Civil Services examination.
- Help the students develop the problem solving, analysis, and decision-making skills necessary to crack the exam.
- The Regular Course is designed by a team of experts in UPSC exams.
- Debate sessions to enhance the public speaking skills and analytical capabilities of students.
- Discuss the possible career options for civil services aspirants in various government sectors.

Highlights of our civil service Regular Coaching Classes Online Live Classes:

100 hours of recorded classes where students can interact through voice or chat and discuss as many doubts as possible. These are like normal coaching classes, the only difference is that you are getting qualified experienced teachers at your home to prepare you well for the exams.

The classes will be 3 days a week and 2 Lecture (1Hr per day) (Monday, Wednesday, Friday). Remaining Days (Tuesday, Thursday, Saturday) we are giving bullet point study material

Duration of Course: 10 Year

Fee: Total Cost of Course: 15,00,00 (One Lakh Fifty Thousand)

Installment Facility of fee: Those who Needy Students Trust gives a maximum of 16 Chance to Installment of Their fee Within Time From Joining.

(It Is the Discretionary Power of SVCTCSR)

Recordings of Classes: All the live classes which students are taking with Swami Vivekananda Charitable Trust for Cultural and Scientific research (SVCTCSR) are recorded for future reference so that students can see them anytime in the future and revise everything in a better way. If the student misses a class due to any reason, then also it will be recorded and he/she can watch the same class later at any time.

Hard Copy Study Material: The Material is based on the UPSC syllabus will be sent to the student's postal address through courier. These books will cover the entire topics of the syllabus. A large number of questions and practice papers will also be provided to the students. Those who want it want to pay an extra amount for Study Material

Online Test Series: Practice online mock tests at the comfort of your home.

Features – Test analysis, Weaker Areas Improvement, Time Management.

We Offer 5 Sets of Test series to the students.

Career counseling: You may be dwindling about your college choice and even the choice of your career. The counselors will help you have a clear vision by the end of the course.

Doubt clearance Classes: Doubt removal is a continuous process with Swami Vivekananda Charitable Trust for Cultural and Scientific research (SVCTCSR) because we want to prepare every student in an effective manner. In every class, the teacher will give complete authority to students so that they can ask all their doubts and questions.

Personal Attention and Focus: Complete attention will be provided to every student through online classes. Every class and test will be analyzed by the experts. Students and parents will be informed if the student is not performing according to the required level.

Global Benchmarking: Through an online platform, Swami Vivekananda Charitable Trust for Cultural and Scientific research (SVCTCSR) provides competition and analysis globally. Students will be from every corner of India and abroad (NRI students), and they will be tested on the same platform. Students will get a better understanding of competition and performance level so that they can work hard on their weaker areas.

Time Saving and Economical: Online classes save a lot of traveling time and strain on the student that he/ she can devote to more studies or take rest. A student doesn't need to shift to the institute as he/ she can get top-quality coaching at home only. Parents can save money that can be spent on other utilities of the child.

Proper Monitoring and Feedback: Through the online platform of, Swami Vivekananda Charitable Trust for Cultural and Scientific research (SVCTCSR), parents can keep a close eye on their child's performance and improvement. The classes will be conducted in the evening time at your own premises. Parents can also see the recorded classes anytime to check the progress and participation of the student.
